Harness the power of the magical, mystical, glorious Moon with more than 100 spells, chants, and rituals, along with Esbat celebrations for the Full Moon. The Moon is one of our most prominent and ancient symbols. It has shaped how we understand and track time, its movement controls the tides, and its rise into the sky signals the coming of night. All of these roles have cemented our relationship with the Moon and its important place in our myths and culture. The distinct phases of the lunar cycle have associations with different states of being. These states mirror a kind of spiritual quest which, like our search for ourselves, never ends. When we observe the Moon, we see reflections of the grand pattern of life that is birth, death, and rebirth. With this invaluable handbook, follow the Moon as she traverses each sign of the zodiac and discover how each astrological phase affects magic—and how your personal Moon sign affects your magical work. The discussions include the influence of the seldom-discussed energies of the True-Blue Moon, the Black Moon, the Void of Course Moon, and the lunar eclipse. You will learn how to properly conduct spells using candles and gemstones at exactly the right lunar moment to enhance the flow of power. Each Moon phase is explored individually to cover the phase's main themes along with moon rituals, intention setting, and practical ways to celebrate and manifest health, wealth, and confidence. You'll also find herb and crystal lists as they relate to each moon phase and information on traditional lunar herbs, including lavender, jasmine, willow, moonwort, mug wort, pumpkin, and sandalwood. Open your arms to Mother Moon, and allow her to take you into hers, with Moon Magic. The Mystical Handbook series from Wellfleet takes you on a magical journey through the wonderful world of spellcraft and spellcasting. Explore a new practice with each volume and learn how to incorporate spells, rituals, blessings, and cleansings into your daily routine. These portable companions feature beautiful foil-detail covers and color-saturated interiors on a premium paper blend. Other titles in the series include: Witchcraft, Love Spells, Knot Magic, Superstitions, and House Magic.
