ARYANNA JACKSON

Cambridge Advanced Learner's Dictionary KLETT VERSION Turbo Flash Publications
 Being Janana focuses on same-sex desiring male-bodied subjects in Lucknow, India, and explores how they make meaning in the marginalization of their desire through language performativity. Along with their desire for other men, jananas maintain ostensibly heteronormatively and culturally defined masculine positions. This book argues for an intersectional approach to understanding janana life worlds and situates janana subjectivity in dialogue with social, cultural, linguistic, and legal happenings. In engaging with the full complexity of janana identities and experience, Ila Nagar calls for a reassessment of gender categories and a new understanding of power and sexuality amidst emerging Indian modernities. Derived from ethnographic research conducted over a period of twelve years, this book also reflects on the interaction between social actors and researchers, and critically examines the use of ethnography as a method in sociolinguistics and

linguistic anthropology. It will be of interest to scholars from Anthropology, Asian Studies, Gender & Sexuality Studies, and Linguistics.

Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive,

fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.
