OXRUN STATION HAS ALWAYS BEEN DIFFERENT. Nobody can really explain it. You just have to understand that bizarre things happen there. They just do. Weird things. The kind of things you don't even want to dream about in your worst nightmares. Trick-or-treat is crazy enough, with ghosts and goblins and witches and warlocks and all manner of other horrors roaming the streets. But in Oxrun Station, the masks aren't always made of rubber. It's Halloween in Oxrun Station, and Cody Banning and his friends must find a way to stop a

mysterious old man from slowly killing the kids in town so that he can live forever . . . The fabric of the cosmos is unravelling and dark and dangerous things are leaking across the borders . . . For five unsuspecting teenagers, their lives will never be the same again as they discover the hidden terrors lurking beneath the surface of their quiet town and experience the most horrifying Halloween of them all . . . This year in Oxrun Station, THE TRICK IS TO STAY ALIVE!

As surely as gardens change with the seasons, gardening is ever changing. New plants, techniques, materials, and lifestyles are constantly broadening the choices you have and reshaping the way you garden in the West. In response to this natural evolution, the editors of Sunset-the West's most trusted source of gardening information for more than 80 years-have completely redesigned and updated The Western Garden Book in this new 2012 Ninth Edition. Following the best-selling success of the previous editions of The Western Garden Book, this edition includes a fresh new look, thousands of color photographs, fresh illustrations, and an easy-to-follow format. Written by experts for gardeners in the West, this book is an indispensable reference for beginning and expert gardeners alike. The New Western Garden Book features include: A photo gallery shows the West's most innovative gardens, from all-edibles front yards to stylish water-wise and fire-wise gardens to living walls and green roofs--all with ideas you can use. Climate Zone Maps and growing-season graphs for all regions of the West including Alaska and Hawaii. A new "Plant Finder" section

helps you choose plants for their garden's problem areas or for special effects. "A to Z Plant Encyclopedia" lists some 8,000 plants that thrive in the West, including more than 500 new ones. Gorgeous color photographs illustrate all plant entries--for the first time ever in The Western Garden Book. "Gardening From Start to Finish" is a new visual guide that leads readers through all steps of making a garden, from soil prep through planting, growing and care, with special sections on natives, veggies, grasses and more.
