"The enchanting saga of two Irish sisters...This new chapter of Titanic lore is worth plunging into." —Publishers Weekly From the acclaimed author of *The Girls of Ennismore* comes a captivating and extraordinary tale of perseverance and bravery. This touching saga of sisterhood—perfect for fans of Fiona Davis and Marie Benedict—follows two young Irish women yearning for independence and adventure, as they set sail on RMS Titanic—the “ship of dreams”—only to be faced with the tragedy of that fabled maiden voyage... Delia Sweeney has always been unlike her older sister—fair and delicate compared to tall, statuesque Nora, whose hair is as dark as Donegal turf. In other ways too, the sisters are leagues apart. Nora is her mother's darling, favored at every turn, and expected to marry into wealth. Delia, constantly slighted, finds a measure of happiness helping her da on the farm. The rest of the time, she reads about far-off places that seem sure to remain a fantasy. Until the day a letter arrives from America . . . A distant relative has provided the means for Delia and Nora to go to New York. Delia will be a lowly maid in a modest household, while Nora will be governess for a well-to-do family. In Queenstown, Cork, they board the Titanic, a majestic new ocean liner making its maiden voyage. Any hope Delia carried that she and her sister might become closer during the trip soon vanishes. For there are far greater perils to contend with as the ship makes its way across the Atlantic . . . In the wake of that fateful journey, Delia makes an impulsive choice—and takes Nora's place as governess. Her decision sparks an adventure that leads her from Fifth Avenue to Dallas, Texas, where oilfields bring unimagined riches to some, despair to others. Delia grows close to her vulnerable young charge, and to the girl's father. But her deception will have repercussions impossible to foresee, even as it brings happiness within reach for the first time . . .

Two teenagers discover true love aboard the doomed ocean liner Elizabeth Farr never wanted to return to America. During her family's vacation abroad, she has fallen in love with England, and is despondent when her father refuses to let her stay. Returning to New York means having her debut into society, and that means a swiftly arranged marriage. Elizabeth will never go to college, never learn to be a reporter—as she sees it, her life is over as soon as the Titanic reaches port. Of course, if she's unlucky, her life will be over far sooner than that. As Elizabeth and her family settle into their first-class cabins, Katie Hanrahan, a young Irish girl with dreams of finding fortune in America, makes her way to a steerage berth. Both girls have plans for the future, but love and death are about to intervene. This ebook features an illustrated biography of Diane Hoh including rare photos and never-before-seen documents from the author's personal collection.

Titanic is the story of a young girl travelling 3rd class on board the RMS Titanic with her mother as they plan to start a new life in America. When disaster strikes, will Jessie make it to the lifeboats in time? Brilliantly reimagined, readers will love this account of a child's experience of one of history's most famous voyages.

The Last Night on the Titanic Vehicule Press

Using a unique approach, the author explores the disaster through the lives of fifty people linked to the sinking, from all walks of life and geographical regions. To have sailed on 'the voyage of the century' aboard White Star Line's RMS Titanic – described at the time as 'a floating palace' – was like being one of the first passengers to fly on Concorde. On 10 April 1912, people from all walks of life began embarking on Titanic, then the largest ship afloat, for what was to be the trip of a lifetime on the ship's maiden voyage across the north Atlantic. Many were looking forward to starting new lives in the United States. However, just before midnight on Sunday, 14 April 1912, Titanic's crew began to send out distress signals stating, 'We have struck an iceberg.' The liner had been steaming at speed when it collided with an enormous iceberg which stripped off her bilge under the waterline for more than 100 yards, opened up five of the front compartments and flooded the coal bunker servicing one of the boilers. The damage was fatal,

and some three hours after the disaster began to unfold the last visible part of Titanic slipped beneath the waves. There were only sixteen lifeboats and four collapsible dinghies – which was completely insufficient for the number of passengers making the crossing. As a consequence, more than 1,500 passengers and crew died: two out of every three people onboard perished. Much has been written about the Titanic disaster, and it has been the subject matter for several films. The author is well-known for his depth of research and his attention to detail, and in a new style of format, he has selected fifty people involved in the disaster, and by using their specific eyewitness accounts he has managed to make the confusing situation much clearer, making it possible for the reader to experience the dreadful events as they unfolded. The book also includes biographical tributes to the fifty people, who came from all walks of life and geographical regions, telling who they were, their experiences during the disaster, and what happened to those who were fortunate enough to survive.

Fifteen-year-old Samuel Scott died while building the Titanic. As the ship sails to her doom, his ghost moves restlessly alongside the passengers and crew: Frederick Fleet: the young look-out who spotted the iceberg and who survived in a life-boat with (the unsinkable) Molly Brown; Howard Hartley Wallace: the heroic band-leader who played ragtime music as the freezing waters lapped at his feet; Harold Bride: the junior radio operator whose messages echoed on, long after the ship had disappeared to its icy grave ...

Voices from the Titanic Essential Library

A young woman leaves Appalachia for life as a classical musician—or so she thinks. When aspiring violinist Jessica Chiccehitto Hindman lands a job with a professional ensemble in New York City, she imagines she has achieved her lifelong dream. But the ensemble proves to be a sham. When the group “performs,” the microphones are never on. Instead, the music blares from a CD. The mastermind behind this scheme is a peculiar and mysterious figure known as The Composer, who is gaslighting his audiences with music that sounds suspiciously like the Titanic movie soundtrack. On tour with his chaotic ensemble, Hindman spirals into crises of identity and disillusionment as she “plays” for audiences genuinely moved by the performance, unable to differentiate real from fake. *Sounds Like Titanic* is a surreal, often hilarious coming-of-age story. Hindman writes with precise, candid prose and sharp insight into ambition and gender, especially when it comes to the difficulties young women face in a world that views them as silly, shallow, and stupid. As the story swells to a crescendo, it gives voice to the anxieties and illusions of a generation of women, and reveals the failed promises of a nation that takes comfort in false realities.
