The astonishing, uplifting story of a real-life Indiana Jones and his humanitarian campaign to use education to combat terrorism in the Taliban's backyard Anyone who despairs of the individual's power to change lives has to read the story of Greg Mortenson, a homeless mountaineer who, following a 1993 climb of Pakistan's treacherous K2, was inspired by a chance encounter with impoverished mountain villagers and promised to build them a school. Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it chronicles Mortenson's quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, *Three Cups of Tea* combines adventure with a celebration of the humanitarian spirit.

International Bestselling Sensation Ava Miles treats you to a binge-your-heart-out, blockbuster series, starting with this #1 National Bestseller and Best Book of the Year (USA Today). Welcome to Dare Valley, the small-town with big heart—where romance, family, suspense, and happily ever after are the way of life. "Ava's story is witty and charming." – Barbara Freethy, #1 New York Times bestselling author Her ex blamed their break-up on her reading too many romance novels. She set out to prove him wrong. When journalist Meredith Hale's dreams of happily ever after—or Nora Roberts Land as she calls it—go up in smoke, she leaves the big city to return to her family and their small town newspaper. A new start? Yes please! Not to mention that it's a chance to prove her ex wrong. She will find her own romantic hero, prove that true love exists, and publish a story about her quest—even if it kills her. Tanner McBride has just returned stateside to work for a major newspaper. The last thing he expects is blackmail. His assignment? Make his boss's ex-wife fall for him and then break her heart. Her article about discovering love à la Nora might air dirty laundry about her marriage to the media mogul, threatening his senate run. When the two meet, the sparks between them are undeniable. Could Tanner be her Roarke? As they work together to uncover the truth behind a suspicious death, the depth of their feelings unfolds and both realize they've kept their secrets for far too long. But before the truth can be revealed, their investigation takes a deadly turn, one that might make Meredith's personal Nora Roberts Land go up in flames. **Nora Roberts gave her blessing to Ava for the use of her name in both the title and the premise in NORA ROBERTS LAND.**

The Holiday Serenade Nla Digital LLC

International Bestselling Author Ava Miles' acclaimed family series, The Merriams, returns with a fun and feel good romantic comedy filled with second chances, everyone's favorite matchmakers, and lots of high stakes and adventure. Boyd McClellan is a smooth-talking, wicked-smart, lying jerk. True, Michaela Merriam isn't objective where her ex-boyfriend and former business partner is concerned, but she's justified given he screwed her—and her family's corporation—over. Except Boyd is back and dangling the discovery of a lifetime: the location of a rare flower known to cure all illness. He claims that without her, he can't bring it back. Yeah, right. Trusting him seems stupid. She did before and look where that got her: brokenhearted and with a demotion. But she doesn't have any choice but to accompany him to the fabled Valley of Stars after her bossy Mr. President brother orders her to go to make up for her love-sick snafu. She's definitely not stupid enough to go alone. She's bringing her own chaperones: her beloved Uncle Arthur and Aunt Clara. One caveat: absolutely NO matchmaking. Trekking in the savannah isn't like "The Lion King." Worse, the deeper they go in, the sexier the safari becomes. Michaela doesn't understand Boyd's game, and he's playing his cards close to his vest. She hopes her aunt and uncle will be able to help her figure out his endgame before anyone—namely, her—gets hurt. Because lying with him under the African night sky, she realizes that she's falling for him all over again. But can she trust it—and him? ---- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sherryl Woods, Jill Shalvis, Roisin Meaney, Melody Grace, Melissa Foster, Addison Cole, Bella Andre, Lucy Kevin, Brenda Novak, Catherine Bybee, Tricia O'Malley, Kathryn Andrews, RaeAnne Thayne, Sheila O'Flanagan, Cathy Kelly, Ruth Hogan, Jenny Colgan, Shari Low, Sophie Cousens, Portia MacIntosh. The cookbook entries describe her heroine's reflections about her grandmother, who taught her to cook, and Ava's reflections about her grandma as well, who made food come alive for her. This companion to COUNTRY HEAVEN, the first book in her new Dare River series set in the South, is connected to her bestselling small town Dare Valley series that started with the #1 National Bestseller, NORA ROBERTS LAND. If you haven't read COUNTRY HEAVEN yet, this is a great chance to see how beautifully food is woven into the story between her sassy heroine, Tory Simmons, and her steamy country singer, Rye Crenshaw. Ava has included an extended excerpt of COUNTRY HEAVEN at the end for your enjoyment. COUNTRY HEAVEN is set against the backdrop of country music, Nashville, foodie splendor, family, and sweet forgiveness. And a bad boy Alpha male and black sheep who finds love and redemption. Here's a little snippet about the book to whet your appetite: A down-on-her luck cook uses food's magical properties to tame a bad boy country rock star after he hires her under false pretenses to restore his image. He's got a secret past. She's got a tragic background. Throw in their sass and wit, food and music, and you have a five-alarm fire. Here's a couple of things people are saying about Ava and COUNTRY HEAVEN: "I am adding Ava Miles to my list of always reads like Susan Mallery, Jill Shalvis, Kristen Ashley, and NORA ROBERTS." Marjay's Reading Blog "If ever there was a contemporary romance that rated a 10 on a scale of 1 to 5...this one is it!" Ava Miles, author of the #1 National Bestseller The Chocolate Garden, shares another feel-good blockbuster about following your dreams no matter how impossible the odds and the power of friends and neighbors to help. Going back to the cherished days with her father in his greenhouse, Rose Fiorni always understood the power of flowers to comfort and uplift a human heart. Single and unemployed, she's back home in her old close-knit neighborhood along New York's Hudson River Valley, searching for what's next. Her dream airline career is more than grounded. It's gone for good. But hope is returning to her small town, and Rose is grabbing its coattails and refusing to let go. With nothing but time on her hands, she's expanded her father's greenhouse—the one place that always brought her happiness. With the town's flower shop out of business, her neighbors have begun coming to her for flowers and help with their plants. Knowing her love for flowers, her friends urge her to go for this new dream: a flower shop of her own. Only with nothing in her bank account, it's the impossible dream. Yet with the help of friends and neighbors, she realizes all things are, in fact, possible, and if she goes for it, surely it will be a dreamer's flower shoppe. - ----- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sheryl Woods, Jill Shalvis, Roisin Meaney, Melody Grace, Melissa Foster, Addison Cole, Bella Andre, Lucy Kevin, Brenda Novak, Catherine Bybee, Kathryn Andrews, RaeAnne Thayne, Sheila O'Flanagan, Cathy Kelly, Ruth Hogan, Jenny Colgan, Shari Low, Sophie Cousins, Portia MacIntosh.
